Update on Analyst training

17 people currently registered. If we reach our cap of 20 we will need to do some screening to find most qualified candidates. Are still developing curriculum.

Bob Brown's retirement

States in his region: AL, FL, GA, KY, MS, NC, SC, TN – bylaws say it's up to Greg to choose a replacement. Rebecca Rust from Florida has previously served, might be a good candidate to ask again, or attempt to find someone from new states.

September steering committee meeting agenda brainstorm

LED Academy – building and institutionalizing training

March Workshop planning

Location will be at the Hilton in Old Town Alexandria

Travelers will self-book and be reimbursed

Other business

CES Moving

CES is moving to Research and Methodology Directorate – includes economic and statistical research as well as a group that deals with administrative records

Goal for this Directorate is to set a model for the rest of the Bureau re. innovation and to encourage cross-program collaboration

Preview of OTM5

Matt previewed the new set of analysis that will be available in OTM5. Lots of really interesting and promising improvements.
